
Agenda

Thursday, July 17: ***Location: Auditorium***	**Friday, July 18:** ***Location: Auditorium or as indicated***	
8:00 – 8:30: Check in	**8:00 – 8:30:** Check in	
8:30 – 8:50: Introduction	**8:30 – 8:45:** Welcome Back!	
8:50 – 9:00: Welcome	**8:45 – 9:45:** ENOVIA Best Practice Customer Panel – Targeting ZERO Files allows companies to enable concurrent global collaboration regardless of location or function by eliminating the check-in/check-out mode of interaction.	
9:00 – 9:30: Manufacturing in the Age of Experience – Driving Profitable Growth	**9:45 – 10:00:** Break and Move to either Product Strategy Forum (PSF) Roundtables **–OR–** ENOVIA Tutorials	
9:30 – 10:00: Keynote	**10:00 – 11:45:** Product Strategy Forum Roundtables (select one): 1. To Bill or Not to Bill (of Materials) ***Percy Wadman*** *ENOVIA Bill of Material Process: Aggregate input from all design and business disciplines into a single enterprise-wide definition of engineering parts and bill-of-materials (EBOMs)* 2. Can Projects Ever Be On Time? ***Charles River*** *ENOVIA Deliverable-based Program Management: Provide global teams with accurate, real-time information to keep projects on track and respond to ever-shrinking product lifecycles. "Invisible Governance" can be archived through Projects automatic updates allowing managers to focus on high-value activities rather than tracking down status.* 3. SmarTeam Transition to V6 with SolidWorks Data Management ***Auditorium*** *Transition best practices, tools and final*	**10:00 – 11:45** ***(Each continues after lunch until 2:45):*** ENOVIA Tutorials (select one) Laptops provided: 1. What is Design in Configured Context? ***North Bristol*** ***3D****EXPERIENCE Platform with ENOVIA and CATIA. Let's exercise the value of "Target Zero Prototypes"* 2. Add ENOVIA to SolidWorks ***South Bristol*** ***3D****EXPERIENCE Platform with ENOVIA and SolidWorks. Exercise intuitive and easy-to-use SolidWorks data management with power to connect to enterprise business processes without limits* 3. Add MBOM to EBOM ***Beacon Hill*** ***3D****EXPERIENCE Platform with ENOVIA Enterprise Bill of Material from early EBOM definition to Manufacturing and target "Zero BOM Errors"*
10:00 – 10:15: Break and **3D**EXPERIENCE Playground		
10:15- 11:00: ENOVIA Global Product Development *Gone are the days when a company could launch a product first in the developed market and then subsequently launch the product in the developing world. A well-executed global launch is fast becoming a business imperative to achieving a higher return on investment*		
11:00 – 11:45: **3D**EXPERIENCE Platform with ENOVIA Processes, R2014x Update . *ENOVIA process portfolio evolution from V6R2013x, highlighting new release capabilities and future development directions*		
11:45- 12:15: Adlib Software Platinum Sponsor Speaker		

Agenda is subject to change. V 9- July

Thursday, July 17: ***Location: Auditorium***	*benefits from ENOVIA V6 collaborative business processes. Features customer success story from Lippert Components*	
12:15 – 1:15: Lunch and **3D**EXPERIENCE Playground	**11:45 – 1:00:** Lunch and **3D**EXPERIENCE Playground	
1:15 – 1:45: Xchanging Platinum Sponsor Speaker	**Friday, July 18:** ***Location: Auditorium or as indicated***	
1:45 – 2:30: Planning the Move to **3D**EXPERIENCE *Understanding the scope of the **3D**EXPERIENCE Platform and how ENOVIA applications and other brand applications are used on top of it. Learn the latest ENOVIA processes that are available to deliver "**3D**EXPERIENCEs" for ENOVIA's customers to deliver successful product and specific functional capabilities of the **3D**EXPERIENCE Platform that benefit ENOVIA process user experiences*	**1:00 – 2:45:** Product Strategy Forum Roundtables (select one): 1. Head in the Cloud (or Head in the Sand)? ***Percy Wadman*** *Cloud-based solution for design and engineering: Is this reality or vision? Roundtable discussion on values, market adoption and benefits of **3D**EXPERIENCE Platform and ENOVIA Apps on the Cloud* 2. Five Things Essential to Know About ENOVIA SmarTeam ***Auditorium*** *ENOVIA SmarTeam has the largest PLM footprint and market share in the SMB domain. Mature and viable solution, ENOVIA SmarTeam is the right path to 3DEXPERIENCE Cloud. Can transition from SmarTeam to **3D**EXPERIENCE benefit your business for long-term profitable growth?*	**1:00 – 2:45:** ENOVIA Tutorials (Continued in same rooms)
2:30 – 3:15 ENOVIA Strategic Customer Relationship Management – Zero Product Failures	**2:45 – 3:30:** SHoP EXPERIENCE in the Cloud, Closing Remarks, Raffle Drawings	

Agenda is subject to change. V 9- July

In the Experience Economy, customers take a more active role in communicating their requirements and preferences for the products that they ultimately purchase. The ENOVIA requirements-driven systems engineering approach to developing products with the customer's desired experiences is visible to all stakeholders involved	
3:15 – 3:30: Break and **3D**EXPERIENCE Playground	
3:30- 4:15: ENOVIA Product Planning and Program Management - Zero Delays *Shrinking product lifecycles coupled with diverging needs of global markets has resulted in the increase in the number of concurrent product development projects. Companies now have concurrent engineering methods to improve the time to market, resulting in added complexity. An innovative approach to program management is required to ensure that engineers are not consumed with non-value added tasks related to this complexity. Discuss how this can be implemented and eliminate project delays*	
4:15- 4:30 EXALEAD OnePart *Based on EXALEAD CloudView proven technology, EXALEAD OnePart enables optimized reuse of parts and related documentation, thus accelerating product development and delivery, while decreasing material, design, manufacturing, and storage cost, leading to increased revenue*	
4:30- 5:00: The Concept to Consumer Journey – *by **3D**XCITE* *High-end 3D virtualization is now maintstream within the Product Lifecycle. Understand 3DS' "Concept to Consumer" as a seamless transition from Art to Part*	
5:00 – 8:30: Move to ENOVIA Networking Reception / "Casino Night" & 3DS Virtual LIVES Demonstration. @ ***Dassault Systemes, 175 Wyman Street, Waltham, MA***
