

INDUSTRIAL EQUIPMENT DIGITAL STREAMLINING TO BOOST YOUR COMPANY

IF **WE**  can imagine it,
how quickly can
we make it?

Real-time manufacturing
- a dream our software could
bring to life.

3DEXPERIENCE

It takes a special kind of compass to explore the world's future possibilities. Innovative companies use our **3DEXPERIENCE** software platform to understand the present and navigate the future.

DASSAULT SYSTÈMES 3DEXPERIENCE PLATFORM

Creates value for owners by empowering designers, product manufacturers, builders and operators with a view of all project phases.

What do your consumers value the most?

Highly flexible
& customized
equipment

Complete lines
& plant solutions

Maximum
equipment
efficiency

High value
consulting
services

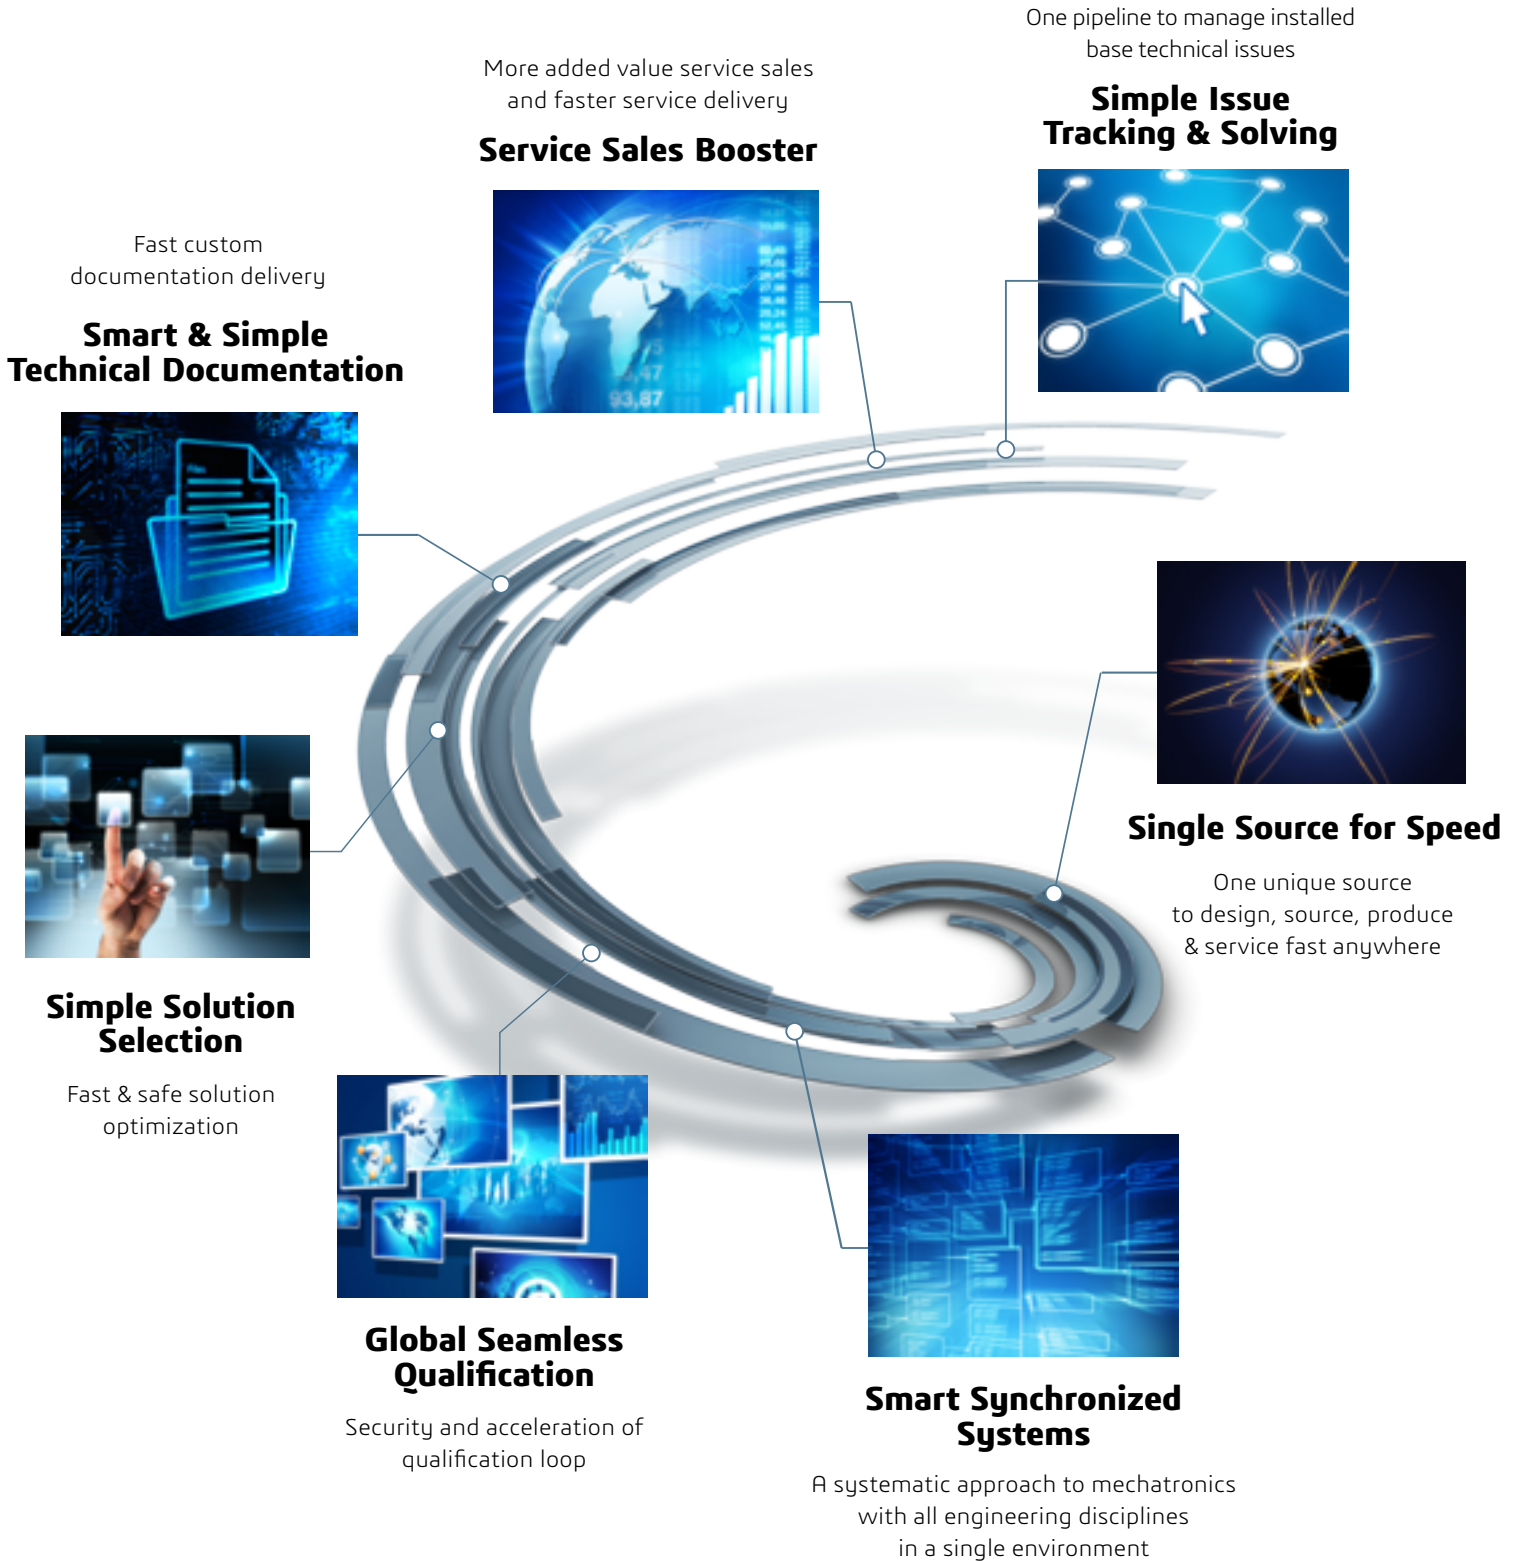

Easy,
optimum quote,
configuration
and delivery

One single solution
to design, source,
produce and service
fast anywhere

What does your company value the most?

Digital experience to streamline your business

INDUSTRY SOLUTION EXPERIENCE PORTFOLIO

More added value service sales and faster service delivery

Service Sales Booster

One pipeline to manage installed base technical issues

Simple Issue Tracking & Solving

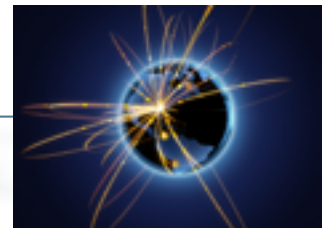

Fast custom documentation delivery

Smart & Simple Technical Documentation

Simple Solution Selection

Fast & safe solution optimization

Single Source for Speed

One unique source to design, source, produce & service fast anywhere

Global Seamless Qualification

Security and acceleration of qualification loop

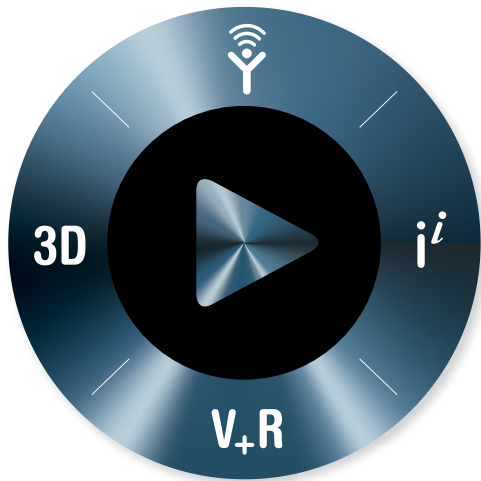

Smart Synchronized Systems

A systematic approach to mechatronics with all engineering disciplines in a single environment

3DEXPERIENCE

-  Social and Collaborative Applications
-  Information Intelligence Applications
-  Content and Simulation Applications
-  3D Modeling Applications
-  Real Time **3DEXPERIENCE** Platform

Dassault Systemes, the **3DEXPERIENCE** Company, provides a Business Platform on premise, on line, in the cloud, powered by 10 software applications that permits social and industrial collaboration

Let's

- Connect engineering and production centers scattered around the globe
- Answer faster to customers requests for more and more diversity
- Ensure shorter time to market and shorter delivery time
- Support the industry shift from manufacturing to service provider

Dassault Systèmes, the **3DEXPERIENCE** Company, provides business and people with virtual universes to imagine sustainable innovations. Its world-leading solutions transform the way products are designed, produced, and supported. Dassault Systèmes' collaborative solutions foster social innovation, expanding possibilities for the virtual world to improve the real world. The group brings value to over 150,000 customers of all sizes, in all industries, in more than 80 countries.

CATIA, SOLIDWORKS, SIMULIA, DELMIA, ENOVIA, GEOVIA, EXALEAD, NETVIBES, 3DSWYM and 3DVIA are registered trademarks of Dassault Systèmes or its subsidiaries in the US and/or other countries.
