DASSAULT SYSTEMES
LICENSED PROGRAM SPECIFICATIONS (LPS) FOR
SFE Release 2018
ADDITIONAL TERMS #1

Due to newly supported Release of CATIA, these additional terms #1 supplement the Licensed Program Specifications for SFE Release 2018 and are an integral part of such Licensed Program Specifications. Except as expressly supplemented by these additional terms #1, all terms and conditions of the Licensed Program Specifications for SFE Release 2018 shall remain in full force and effect.

The Licensed Program Specifications for SFE Release 2018 together with these additional terms #1 (LPS) and the terms incorporated herein by reference (including terms referenced on a website) are an integral part of the license agreement between DS and Licensee ("Agreement"), which refers to this LPS. In the event of a discrepancy, inconsistency or contradiction between this LPS and the other terms of the Agreement, the provisions of this LPS shall prevail, but only with respect to the Licensed Programs to which this LPS applies. Licensee acknowledges that it has full knowledge of all the terms of this LPS and those incorporated herein by reference.

2. HARDWARE AND SOFTWARE REQUIREMENTS
