DASSAULT SYSTEMES
LICENSED PROGRAM SPECIFICATIONS (LPS) FOR
SIMULIA Simpack Release 2022
ADDITIONAL TERMS #1

These additional terms #1 supplement the Licensed Program Specifications for SIMULIA Simpack Release 2022 and are an integral part of such Licensed Program Specifications. Except as expressly supplemented by these additional terms #1, all terms and conditions of the Licensed Program Specifications for SIMULIA Simpack Release 2022 shall remain in full force and effect.

The Licensed Program Specifications for SIMULIA Simpack Release 2022 together with these additional terms #1 (LPS) and the terms incorporated herein by reference (including terms referenced on a website) are an integral part of the license agreement between DS and Licensee ("Agreement"), which refers to this LPS. In the event of a discrepancy, inconsistency or contradiction between this LPS and the other terms of the Agreement, the provisions of this LPS shall prevail, but only with respect to the Licensed Programs to which this LPS applies. Licensee acknowledges that it has full knowledge of all the terms of this LPS and those incorporated herein by reference.

11. ADDITIONAL DEFINITIONS

The following provisions supersede those of the corresponding section of the Licensed Program Specifications for SIMULIA Simpack Release 2022:

Machine means a device on which a Licensed Program is executed and which is either (1) (i) (a) belonging to Licensee or under its sole control or supervision and (b) located on Licensee's premises or according to Teleworking conditions, or (ii) authorized by Licensee according to its own information technology charter or equivalent whereby third party devices (such as Users own devices) are specifically authorized, or (2) operated by a third party service provider as specifically authorized in the Agreement solely for and on behalf of Licensee.
