-

Type/Duration of Program Services(also referred to as “Support Services”)

You will find all necessary information including processes, on Dassault Systèmes website :

<http://www.3ds.com/terms/support-policies>

Supplemental Terms

Terms that are initially capitalized in the supplemental terms below are defined in the Glossary - Release 1, available at <http://www.3ds.com/terms/glossary>.

The License Management Model

LICENSING SCHEMES & GEOGRAPHIC SCOPE

The licenses on the Licensed Programs to which this LPS applies are granted pursuant to the Agreement for the following usage and authorized users, up to the number of [Users](#) for which licenses have been ordered,

- [Concurrent Based](#) (floating)
- [Machine Based](#) (node-locked)
- [Add-on Products](#)
- [System License](#)

Except as otherwise provided for Licensed Programs for which use on the Internet is allowed as specified below, Licenses of the Licensed Programs to which this LPS applies are granted for use only in the country for which the license is ordered. Users whose usual workplace is located in the same country as the country where such use of the Licensed Program has been authorized, may use the Licensed Program in any other country (subject *inter alia* to the Export and Re-export laws and regulations provision of the Agreement) for purposes of a business trip of a maximum of thirty (30) consecutive days.

Licensed Programs identified in the Documentation as being designed for use on the Internet may be used worldwide, over the Internet, as long as the [License Server\(s\)](#) on which the Licensed Programs are installed are located in the [Designated Country](#).

ADDITIONAL TERMS FOR SPECIFIC ENOVIA SmartTeam LICENSED PROGRAMS

a) The terms and conditions in this sub-section a) are applicable only to the Licensed Program ENOVIA SmarTeam Community Workspace Configuration:

Licensee is authorized to give access to its licenses of such Licensed Programs to [Extended Enterprise Users](#) for the sole and exclusive purpose of enabling the Extended Enterprise User to conduct business with Licensee, provided that use of the Licensed Program by any such Extended Enterprise User shall be limited to use (a) solely as configured and deployed by Licensee and (b) solely in connection with the Extended Enterprise User's performance of services for and on behalf of Licensee, and not for such Extended Enterprise User's own or another's account or for the purpose of hosting, modifying, or otherwise using or maintaining the Licensed Programs.

b) The terms and conditions in this sub-section (b) are applicable only to the Licensed Program ENOVIA SmarTeam Multi-site Administration Configuration and ENOVIA SmarTeam Multi-site Vault Administration Configuration:

As identified in the Documentation, these Configurations may be accessed and used by Users in different physical locations and in countries additional to the Designated Country.

ADDITIONAL TERMS FOR DELMIA V5:

Identified User(s) - means the User(s) who are appointed by Licensee to use the Licensed Programs. The list of the Identified Users shall not be modified without DS' prior written approval.

System License - means a System License to use the Licensed Program for a limited number of User(s) or Identified User(s) (if and as per indicated in the name of the Licensed Program). If so specified in an order issued by Licensee pursuant to a Quote, and accepted by DS, Licensed Programs shall be used only at the particular office, building, physical location, or within a given department of Licensee.

ADDITIONAL TERMS FOR CATIA V5

The CATV5-6 Licensed Program is comprised of a set of components which cannot be separated: (i) CAC, a CATIA V5 product and (ii) CPF; MSF; VPM; LIV; DC5, which are ENOVIA V6 products. The applicable LPS to each component remains applicable for such component within the scope of use of CATV5-6 Licensed Programs.

OTHER PERMITTED USES

USE FOR CERTAIN SERVICES. Except for [Development Tool Kits](#), Licensee is authorized to use such Licensed Programs for added-value engineering and/or implementation services. Added-value engineering or implementation services are services to deliver to a third party end user any deliverable generated specifically for said third party end user from use by Licensee of the Licensed Programs. In any event, Licensee may not (A) use the Licensed Programs to develop software code for (i) general distribution by any means, and whether alone or bundled or delivered with any product, data, information, software, or other element, or (ii) any services that do not add value attributable to the intervention of specific human skills, such as, without limitation, in a data services operation or as an applications service provider, or (B) install and/or operate the Licensed Programs on any hardware and/or software environment owned by or under control of any third party, or (C) represent or imply to any party that it is an authorized or certified provider of services for DS. Licensee shall indemnify, defend and hold harmless DS against any claim, expense, judgment, damage, or loss (including reasonable attorneys' fees) which arises out of or in any way relates to Licensee's use of the Licensed Programs with third party end users.

OUTSOURCING TO A THIRD PARTY. Licensee is authorized to execute the Licensed Programs remotely on computers operated by third parties, provided that only duly authorized Users, and/or Extended Enterprise Users if applicable, shall have access to the Licensed Programs. Licensee may appoint a third party, such as an outsourcer, to operate the hardware on which the Licensed Programs are installed, on behalf of Licensee, only if (i) Licensee does not assign the Agreement or any licenses granted thereunder, in whole or in part, to the third party, (ii) the third party and Licensee enter into a written Agreement under which the third party agrees that its access to and use of the Licensed Programs is subject to all of the grant of license, confidentiality, restrictions, and limitations on use provisions of the Agreement, and (iii) such third party is not a competitor of any [DS Group Company](#). Licensee acknowledges and agrees that the third party shall be deemed an agent of Licensee. If Licensee becomes aware of any actual or suspected unauthorized use or disclosure of the Licensed Programs, Licensee shall immediately terminate the third party's access to and use of the Licensed Programs. Licensee shall indemnify, defend, and hold harmless DS against any claim, expense, judgment, damage, or loss (including reasonable attorneys' fees) which arises out of or in any way relates to each third party's access to or use of the Licensed Programs.

SECURITY MECHANISMS

DS and its affiliated companies take all legal steps to eliminate piracy of their software products. In this context, the Licensed Programs may include a security mechanism that can detect the installation or use of illegal copies of the Licensed Programs, and collect and transmit data about those illegal copies only (including IP and MAC addresses). Data collected will not include any Licensee data created with the Licensed Programs. By using the Licensed Programs, Licensee consents to such detection and collection of data, as well as its transmission and use if an illegal copy is detected. DS also reserves the right to use a hardware lock device, license administration software, and/or a license authorization key to control access to the Licensed Programs. Licensee may not take any steps to avoid or defeat the purpose of any such measures. Use of any Licensed Programs without any required lock device or authorization key provided by DS is prohibited.

LICENSEE'S RESPONSIBILITY

In addition to all terms and conditions of the Agreement and all other provisions of this LPS, Licensee agrees that it is responsible for ensuring that any use of the Licensed Programs by all Users, Named Users and/or Extended Enterprise Users if applicable, shall at all times be in compliance with the terms and conditions of the Agreement. Any breach of the terms of this Agreement by Extended Enterprise Users if applicable shall also be deemed a breach by Licensee.

Designated Machine Identification

No

Test Period

No

Softcopy Publications

The Licensed Program may include licensed publications in displayable or source form. Except as provided in this section, the terms and conditions of the Agreement with Dassault Systèmes apply to these publications and to any copies that are made from them.

The licensed publications may be used in displayable or source form on all machines designated for this Licensed Program. The licensed publications may also be copied and used on other machines in support of authorized use of this Licensed Program.

To support authorized use of the Licensed Program, printed copies of the displayable or source material may be made if the copyright notice and any other legend of ownership is reproduced on each copy or partial copy. ¹

Warranty

The Licensed Programs are warranted as specified in the Agreement with Dassault Systèmes.

Licensed Program Specifications may be updated from time to time and such updates may constitute a change in specifications.

Following the discontinuance of all Program Services (Support Services), this Licensed Program will be provided "As Is" as specified in the Agreement with Dassault Systèmes.
