Supplemental Terms

Terms that are initially capitalized in the supplemental terms below are defined in the Glossary - Release 1, available at <http://www.3ds.com/terms/glossary>.

The License Management Model

LICENSING SCHEMES & GEOGRAPHIC SCOPE

The licenses on the Licensed Programs to which this LPS applies are granted pursuant to the Agreement for the following usage and authorized users, up to the number of [Users](#) for which licenses have been ordered,

- [Concurrent Based](#) (floating)
- [Machine Based](#) (node-locked)
- [Add-on Products](#)
- [System License](#)

Except as otherwise provided for Licensed Programs for which use on the Internet is allowed as specified below, Licenses of the Licensed Programs to which this LPS applies are granted for use only in the country for which the license is ordered. Users whose usual workplace is located in the same country as the country where such use of the Licensed Program has been authorized, may use the Licensed Program in any other country (subject *inter alia* to the Export and Re-export laws and regulations provision of the Agreement) for purposes of a business trip of a maximum of thirty (30) consecutive days.

Licensed Programs identified in the Documentation as being designed for use on the Internet may be used worldwide, over the Internet, as long as the [License Server\(s\)](#) on which the Licensed Programs are installed are located in the [Designated Country](#).

ADDITIONAL TERMS FOR SPECIFIC ENOVIA SmartTeam LICENSED PROGRAMS

a) The terms and conditions in this sub-section a) are applicable only to the Licensed Program ENOVIA SmarTeam Community Workspace Configuration:

Licensee is authorized to give access to its licenses of such Licensed Programs to [Extended Enterprise Users](#) for the sole and exclusive purpose of enabling the Extended Enterprise User to conduct business with Licensee, provided that use of the Licensed Program by any such Extended Enterprise User shall be limited to use (a) solely as configured and deployed by Licensee and (b) solely in connection with the Extended Enterprise User's performance of services for and on behalf of Licensee, and not for such Extended Enterprise User's own or another's account or for the purpose of hosting, modifying, or otherwise using or maintaining the Licensed Programs.

b) The terms and conditions in this sub-section (b) are applicable only to the Licensed Program ENOVIA SmarTeam Multi-site Administration Configuration and ENOVIA SmarTeam Multi-site Vault Administration Configuration:

As identified in the Documentation, these Configurations may be accessed and used by Users in different physical locations and in countries additional to the Designated Country.

ADDITIONAL TERMS FOR DELMIA V5:

Identified User(s) - means the User(s) who are appointed by Licensee to use the Licensed Programs. The list of the Identified Users shall not be modified without DS' prior written approval.

System License - means a System License to use the Licensed Program for a limited number of User(s) or Identified User(s) (if and as per indicated in the name of the Licensed Program). If so specified in an order issued by Licensee pursuant to a Quote, and accepted by DS, Licensed Programs shall be used only at the particular office, building, physical location, or within a given department of Licensee.

ADDITIONAL TERMS FOR CATIA V5 PLM Express

The CATV5-6 Licensed Program is comprised of a set of components which cannot be separated: (i) CAC, a CATIA V5 product and (ii) CPF; MSF; VPM; LIV; DC5, which are ENOVIA V6 products. The applicable LPS to each component remains applicable for such component within the scope of use of CATV5-6 Licensed Programs.

OTHER PERMITTED USES

USE FOR CERTAIN SERVICES. Except for [Development Tool Kits](#), Licensee is authorized to use such Licensed Programs for added-value engineering and/or implementation services. Added-value engineering or implementation services are services to deliver to a third party end user any deliverable generated specifically for said third party end user from use by Licensee of the Licensed Programs. In any event, Licensee may not (A) use the Licensed Programs to develop software code for (i) general distribution by any means, and whether alone or bundled or delivered with any product, data, information, software, or other element, or (ii) any services that do not add value attributable to the intervention of specific human skills, such as, without limitation, in a data services operation or as an applications service provider, or (B) install and/or operate the Licensed Programs on any hardware and/or software environment owned by or under control of any third party, or (C) represent or imply to any party that it is an authorized or certified provider of services for DS. Licensee shall indemnify, defend and hold harmless DS against any claim, expense, judgment, damage, or loss (including reasonable attorneys' fees) which arises out of or in any way relates to Licensee's use of the Licensed Programs with third party end users.

OUTSOURCING TO A THIRD PARTY. Licensee is authorized to execute the Licensed Programs remotely on computers operated by third parties, provided that only duly authorized Users, and/or Extended Enterprise Users if applicable, shall have access to the Licensed Programs. Licensee may appoint a third party, such as an outsourcer, to operate the hardware on which the Licensed Programs are installed, on behalf of Licensee, only if (i) Licensee does not assign the Agreement or any licenses granted thereunder, in whole or in part, to the third party, (ii) the third party and Licensee enter into a written Agreement under which the third party agrees that its access to and use of the Licensed Programs is subject to all of the grant of license, confidentiality, restrictions, and limitations on use provisions of the Agreement, and (iii) such third party is not a competitor of any [DS Group Company](#). Licensee acknowledges and agrees that the third party shall be deemed an agent of Licensee. If Licensee becomes aware of any actual or suspected unauthorized use or disclosure of the Licensed Programs, Licensee shall immediately terminate the third party's access to and use of the Licensed Programs. Licensee shall indemnify, defend, and hold harmless DS against any claim, expense, judgment, damage, or loss (including reasonable attorneys' fees) which arises out of or in any way relates to each third party's access to or use of the Licensed Programs.

SPECIFIC TERMS FOR THIRD PARTY SOFTWARE

The specific terms relating to the use of certain third party software components or products not developed by or for a DS Group Company and granted to Licensee to be used in connection with or within a Licensed Program are defined hereafter:

Open Source Software

The Licensed Programs may include open source software components. Whenever notices (such as acknowledgment, copies of licenses or attribution notice) are required by the original licensor, such notices are included in the Documentation of the Licensed Programs.

The warranty and indemnification provided by DS under the Agreement does NOT apply to all such open source software components. Support Services provided by DS under the Agreement apply to open source software components and shall be provided by DS and not by the original licensor, but only for the use of the Licensed Programs that is in compliance with the terms of the Agreement, and in conjunction with the Licensed Programs. The original licensors of said open source software components provide them on an "as is" basis and without any liability whatsoever to Licensee.

Additional Third Party Software Terms

The following terms apply in addition to the Agreement:

ENOVIA

Oracle

The following terms also apply if Licensee is granted licenses of Oracle software:

1. The Oracle software licenses shall be used only in conjunction with the Licensed Programs.
2. Licensee shall not publish the results of any benchmark tests run on the Oracle software.
3. Licensee shall comply with all applicable export and import laws to assure that the Oracle software and any direct product thereof, are not exported in violation of applicable laws.
4. Oracle is a third party beneficiary of the Agreement.
5. The parties agree to exclude the Agreement from the applicability of the Uniform Computer Information Transactions Act.
6. Some Oracle software may include source code that Oracle may provide as part of its standard shipment of Oracle software and such source code shall be governed by the Oracle agreement.
7. Licensee shall not assign the licenses of the Oracle software or the Oracle agreement insofar as it relates to the Oracle software or rent or lease the Oracle software.

The ENOVIA SmarTeam Licensed Program contains a database engine software component (the "Oracle Component") used under license from Oracle Software Systems Israel. In addition to the terms set forth above regarding Oracle Software, the following terms apply if Licensee is granted licenses to Oracle Component in conjunction with ENOVIA SmarTeam Licensed Program: Licensee acknowledges that the Oracle Component is not specifically developed or sublicensed for use in any nuclear, mass transit, aviation or medical application or in any other inherently dangerous applications. Licensees further acknowledge, that Oracle shall not be liable for any claims or damages arising from such use if they use it for such applications, and to indemnify and hold Oracle and/or DS and any of their officers, directors and employees harmless from any claims for losses, costs, damages or liability arising out of or in connection with the use of the Oracle Component in such applications. Licensee shall not transfer or duplicate the Oracle Components licensed with the ENOVIA SmarTeam Licensed Programs except for temporary transfer in the event of computer malfunctions and a single backup or archival copy.

Support for Oracle Software

Licensee may not contact Oracle for support for Oracle software licensed through DS. Licensee may not contact DS for support for Oracle software not licensed through DS.

Exclusions

The warranty, indemnification and Support Services provided by DS under the Agreement are not applicable to third party software components mentioned hereunder:

None

SECURITY MECHANISMS

DS and its affiliated companies take all legal steps to eliminate piracy of their software products. In this context, the Licensed Programs may include a security mechanism that can detect the installation or use of illegal copies of the Licensed Programs, and collect and transmit data about those illegal copies only (including IP and MAC addresses). Data collected will not include any Licensee data created with the Licensed Programs. By using the Licensed Programs, Licensee consents to such detection and collection of data, as well as its transmission and use if an illegal copy is detected. DS also reserves the right to use a hardware lock device, license administration software, and/or a license authorization key to control access to the Licensed Programs. Licensee may not take any steps to avoid or defeat the purpose of any such measures. Use of any Licensed Programs without any required lock device or authorization key provided by DS is prohibited.

LICENSEE'S RESPONSIBILITY

In addition to all terms and conditions of the Agreement and all other provisions of this LPS, Licensee agrees that it is responsible for ensuring that any use of the Licensed Programs by all Users, Named Users and/or Extended Enterprise Users if applicable, shall at all times be in compliance with the terms and conditions of the Agreement. Any breach of the terms of this Agreement by Extended Enterprise Users if applicable shall also be deemed a breach by Licensee.

Designated Machine Identification

No

Test Period

No

Softcopy Publications

The Licensed Program may include licensed publications in displayable or source form. Except as provided in this section, the terms and conditions of the Agreement with Dassault Systèmes apply to these publications and to any copies that are made from them.

The licensed publications may be used in displayable or source form on all machines designated for this Licensed Program. The licensed publications may also be copied and used on other machines in support of authorized use of this Licensed Program.

To support authorized use of the Licensed Program, printed copies of the displayable or source material may be made if the copyright notice and any other legend of ownership is reproduced on each copy or partial copy.¹

Warranty

The Licensed Programs are warranted as specified in the Agreement with Dassault Systèmes.

Licensed Program Specifications may be updated from time to time and such updates may constitute a change in specifications.

Following the discontinuance of all Program Services (Support Services), this Licensed Program will be provided "As Is" as specified in the Agreement with Dassault Systèmes.
