

LICENSED PROGRAMS TERMS FOR

Reqtify®, ControlBuild® and AUTOSAR Builder® Release 2013-2

Terms that are initially capitalized are defined in the Glossary - Release 1, available at <http://www.3ds.com/terms/glossary>.

These Licensed Programs Terms (“LPT”) and the terms incorporated herein by reference (including terms referenced on a website), are an integral part of the license agreement between DS and Licensee (“Agreement”), which refers to this LPT. In the event of discrepancy, inconsistency or contradiction between this LPT and the other terms of the Agreement, the provisions of this LPT shall prevail, but only with respect to the Licensed Programs to which this LPT applies. Licensee acknowledges that it has full knowledge of all these terms and those incorporated herein by reference.

AVAILABLE PRICING STRUCTURES

Licenses and Support Service on the Licensed Programs to which this applies may be ordered according to one of the following pricing structures:

- PLC/ALC
- YLC

Other pricing structures may be made available on a case by case basis.

LICENSE & GEOGRAPHIC SCOPE

The licenses on the Licensed Programs to which this LPT applies are granted pursuant to the Agreement, and according to one the following licensing structures (specifying the authorized use and users, subject to the maximum quantities set forth in the Ordering Document as specified in the Product Portfolio, available at www.3ds.com/terms/product-portfolio, the terms of which are incorporated herein by reference (or, if not so designated in the Product Portfolio, in the Ordering Document).

- Machine Based (node-lock)
- Concurrent Based (floating)
- Named User Based
- Token Based (the number of tokens required per Licensed Program is described in the Product Portfolio)

Licenses of the Licensed Programs to which this LPT applies are granted for use only in the country for which the license is ordered. Users and/or Named Users if applicable, whose usual workplace is located in the same country as the country where such use of the Licensed Program has been authorized, may use the Licensed Program in any other country (subject *inter alia* to the export and re-export laws and regulations provision of the Agreement) for purposes of a business trip of a maximum of thirty (30) consecutive days.

Additional terms for Token Based licenses and Concurrent Based licenses

Token Based and Concurrent Based licenses may be licensed for either a Single Site or Multi-Site usage. Subject *inter alia* to the export and re-export laws and regulations provision of the Agreement and applicable provisions governing the above licensing structures:

- **A Single Site License** authorizes the Licensee to install and use the Licensed Program to which this LPT applies only on Machines within Licensee’s Site as identified in the Ordering Document and in the country for which the license is ordered. The term **Licensee’s Site** means the specific physical address of Licensee’s own facility identified in the Ordering Document that may consist of one or more buildings within a radius of one kilometer of where the Licensed Program is first installed and put into use.

- **A Multi-Site License**, as specified in the Product Portfolio, authorizes the Licensee to install and use the Licensed Program to which this LPT applies on Machines in several of the Licensee's own facilities located in the same geographic region only (i.e. APAC or EMEA or Americas).

OTHER PERMITTED USES

USE FOR CERTAIN SERVICES. Except for [Development Tool Kits](#), Licensee is authorized to use such Licensed Programs for added-value engineering and/or implementation services. Added-value engineering or implementation services are services to deliver to a third party end user any deliverable generated specifically for said third party end user from use by Licensee of the Licensed Programs. In any event, Licensee may not (A) use the Licensed Programs to develop software code for (i) general distribution by any means, and whether alone or bundled or delivered with any product, data, information, software, or other element, or (ii) any services that do not add value attributable to the intervention of specific human skills, such as, without limitation, in a data services operation or as an applications service provider, or (B) install and/or operate the Licensed Programs on any hardware and/or software environment owned by or under control of any third party, or (C) represent or imply to any party that it is an authorized or certified provider of services for DS. Licensee shall indemnify, defend and hold harmless DS against any claim, expense, judgment, damage, or loss (including reasonable attorneys' fees) which arises out of or in any way relates to Licensee's use of the Licensed Programs with third party end users.

OUTSOURCING TO A THIRD PARTY. Licensee is authorized to execute the Licensed Programs remotely on computers operated by third parties, provided that only duly authorized Users, and/or [Extended Enterprise Users](#) if applicable, shall have access to the Licensed Programs. Licensee may appoint a third party, such as an outsourcer, to operate the hardware on which the Licensed Programs are installed, on behalf of Licensee, only if (i) Licensee does not assign the Agreement or any licenses granted thereunder, in whole or in part, to the third party, (ii) the third party and Licensee enter into a written Agreement under which the third party agrees that its access to and use of the Licensed Programs is subject to all of the grant of license, confidentiality, restrictions, and limitations on use provisions of the Agreement, and (iii) such third party is not a competitor of any [DS Group Company](#). Licensee acknowledges and agrees that the third party shall be deemed an agent of Licensee. If Licensee becomes aware of any actual or suspected unauthorized use or disclosure of the Licensed Programs, Licensee shall immediately terminate the third party's access to and use of the Licensed Programs. Licensee shall indemnify, defend, and hold harmless DS against any claim, expense, judgment, damage, or loss (including reasonable attorneys' fees) which arises out of or in any way relates to each third party's access to or use of the Licensed Programs.

LICENSEE'S RESPONSIBILITY. In addition to all terms and conditions of the Agreement and all other provisions of this LPT, Licensee agrees that it is responsible for ensuring that any use of the Licensed Programs by all Users, Named Users and Extended Enterprise Users if applicable, shall at all times be in compliance with the terms and conditions of the Agreement, and any breach by Extended Enterprise Users (if applicable) of the terms of this Agreement shall also be deemed a breach by Licensee.

SECURITY MECHANISMS

DS and its affiliated companies take all legal steps to eliminate piracy of their software products. In this context, the Licensed Programs may include a security mechanism that can detect the installation or use of illegal copies of the Licensed Programs, and collect and transmit data about those illegal copies only. Data collected will not include any Licensee data created with the Licensed Programs. By using the Licensed Programs, Licensee consents to such detection and collection of data, as well as its transmission and use if an illegal copy is detected. DS also reserves the right to use a hardware lock device, license administration software, and/or a license authorization key to control access to the Licensed Programs. Licensee may not take any steps to avoid or defeat the purpose of any such measures. Use of any Licensed Programs without any required lock device or authorization key provided by DS is prohibited.
