However, the following license limitations apply:

- a) If so specified in an order issued by Licensee pursuant to a Quote, and accepted by DS, Licensed Programs shall be used only at the particular office, building, physical location, or within a given department of Licensee.
- b) Licensed Programs shall be used only with the machine types and other hardware products, together with third party software and/ or any other Licensed Programs necessary to operate such Licensed Programs, and hardware, that are identified in the Documentation and the order issued for such Licensed Programs by Licensee pursuant to a Quote.
- c) Licensed Programs identified in order issued by Licensee pursuant to a Quote, and accepted by DS, or in the Documentation for use on a "dev," development or test basis (or words of similar effect) shall be used only in a separate test computer system environment for the purpose of testing such Licensed Program(s)

and/or configurations thereof, and such use specifically excludes the right to use any such Licensed Program for manufacturing, manufacturing intelligence, manufacturing operations or any other production or business purposes.

OUTSOURCING TO A THIRD PARTY. Licensee is authorized to execute the Licensed Programs remotely on computers operated by third parties, provided that only duly authorized Users, and/or Extended Enterprise Users if applicable, shall have access to the Licensed Programs. Licensee may appoint a third party, such as an outsourcer, to operate the hardware on which the Licensed Programs are installed, on behalf of Licensee, only if (i) Licensee does not assign the Agreement or any licenses granted thereunder, in whole or in part, to the third party, (ii) the third party and Licensee enter into a written Agreement under which the third party agrees that its access to and use of the Licensed Programs is subject to all of the grant of license, confidentiality, restrictions, and limitations on use provisions of the Agreement, and (iii) such third party is not a competitor of any [DS Group Company](#). Licensee acknowledges and agrees that the third party shall be deemed an agent of Licensee. If Licensee becomes aware of any actual or suspected unauthorized use or disclosure of the Licensed Programs, Licensee shall immediately terminate the third party's access to and use of the Licensed Programs. Licensee shall indemnify, defend, and hold harmless DS against any claim, expense, judgment, damage, or loss (including reasonable attorneys' fees) which arises out of or in any way relates to each third party's access to or use of the Licensed Programs.

THIRD PARTY SOFTWARE

In addition to the Agreement, including without limitation the [Specific Terms for Third Party Software](#), Licensee acknowledges and agrees that, in order to be able to run the PAS, it must also purchase, unless it already has, an appropriate Oracle or SQL Server data base license from the legal providers of such data base products.
