

DASSAULT SYSTEMES

OFFERING SPECIFIC TERMS (OST) FOR

3DEXPERIENCE R2022x

ONLINE SERVICES

ADDITIONAL TERMS #3

Due to new available Online Services, these additional terms #3, which supplement the Offering Specific Terms for 3DEXPERIENCE R2022x Online Services, the additional terms #1 and the additional terms #2, are an integral part of such Offering Specific Terms. Except as expressly supplemented by these additional terms #3, all terms and conditions of the Offering Specific Terms for 3DEXPERIENCE R2022x Online Services, the additional terms #1 and the additional terms #2 shall remain in full force and effect.

The Offering Specific Terms for 3DEXPERIENCE R2022x Online Services, the additional terms #1, the additional terms #2 together with these additional terms #3 (OST) and the terms incorporated herein by reference (including terms referenced on a website) are an integral part of the license and online services agreement between DS and Customer ("Agreement"), which refers to this OST. In the event of a discrepancy, inconsistency or contradiction between this OST and the other terms of the Agreement, the provisions of this OST shall prevail, but only with respect to the Online Services to which this OST applies. Customer acknowledges that it has full knowledge of all the terms of this OST and those incorporated herein by reference.

2. LICENSING SCHEMES AND GEOGRAPHIC SCOPE

2.2 SPECIFIC PROVISIONS FOR CERTAIN DS OFFERINGS

The following provisions supplement those of the corresponding section of the Offering Specific Terms for 3DEXPERIENCE R2022x Online Services:

ENOVIA - 3DEXPERIENCE Governance/Lifecycle business category

Business Process Service Task

For each Business Process Designer (6NP-BPR-OC), Business Process Player (6NP-BPO-OC) and Business Process Analyst (6NP-BPW-OC) Online Service, Customer is delivered a given number of business process service tasks, as defined in the Documentation. Consumption rules of business process service tasks are specified in the Documentation.

For one (1) Platform, business process service tasks are shared among all the authorized Users (and/or Extended Enterprise Users, as applicable). Such tasks belonging to one (1) Platform cannot be transferred to another Platform.

The number of business process service tasks is specified on a yearly basis. For terms of one (1) year or less, all business process service tasks are issued at the beginning of the term and unused business process service tasks expire at the end of the term. For terms longer than one (1) year, business process service tasks are issued per year and unused business process service tasks expire at the end of the given year period; for any incomplete year period, the number of issued business process service tasks is pro-rated and unused business process service tasks expire at the end of the given incomplete year period.

3DEXPERIENCE for Education business category

Online disk space

For City Index for Cloud (6MP-CIX-AC) DS Offering and for each DS Offering listed in Table 7, Customer is provided the right to use five hundred (500) GB online disk space for data related to the use of a minimum of one (1) of the DS Offerings listed in Table 7. The online disk space may be increased if so specified in the Documentation. For one (1) Platform, such disk space is shared among the authorized Users (and/or Extended Enterprise Users, as applicable) of the DS Offerings listed in Table 7. Moreover, to be able to maintain such data for a given Platform, Customer must be current with the payment related to the rights to use a minimum of one (1) of the DS Offerings listed in Table 7.

Table 7

DS Offering Name	Product Number
City Planner for Education EXTRA SMALL	6NB-UXV-XS-AC
City Planner for Education SMALL	6NB-UXV-S-AC
City Planner for Education MEDIUM	6NB-UXV-M-AC

BIOVIA - 3DEXPERIENCE Biosphere and Materials business category

The following provisions supersede those of the corresponding section of the Offering Specific Terms for 3DEXPERIENCE R2022x Online Services and the additional terms #2:

Generative Therapeutics Designer Research Project

For each Generative Therapeutics Design for one project (6MB-GTDP1-OC) Online Service, Customer is (i) authorized to have one (1) active research project involving a specific molecular target to address a particular disease or condition.

For each Generative Therapeutics Designer for one project (6NB-GTDP-OC) Online Service, Customer is authorized to have one (1) active research project involving (i) a specific molecular target to address a particular disease or condition and (ii) up to ten (10) Named Users (and/or Extended Enterprise Named Users).

Moreover, to be able to continue to access completed research projects, Customer must be current with the payment related to the rights to use of a minimum of one (1) Generative Therapeutics Design for one project (6MB-GTDP1-OC) Online Service or one (1) Generative Therapeutics Designer for one project (6NB-GTDP-OC) Online Service.

Biosphere Material Compute Units

For each Computational Structural Biologist (6NB-BCB-OC), Computational Chemist (6NB-BCH-OC) and Materials Modeler (6NB-BMA-OC) Online Service, Customer is delivered five hundred thousand (500,000) biosphere material compute units, unless defined differently in the Documentation. For each Generative Therapeutics Design for one project (6MB-GTDP1-OC) Online Service, Customer is delivered three hundred thousand (300,000) biosphere material compute units, unless defined differently in the Documentation. Consumption rules of biosphere material compute units are specified in the Documentation.

For one (1) Platform, biosphere material compute units are shared among all the authorized Users (and/or Extended Enterprise Users, as applicable). Such units belonging to one (1) Platform cannot be transferred to another Platform.

The number of biosphere material compute units is specified on a yearly basis. For terms of one (1) year or less, all biosphere material compute units are issued at the beginning of the term and unused biosphere material compute units expire at the end of the term. For terms longer than one (1) year, biosphere material compute units are issued per year and unused biosphere material compute units expire at the end of the given year period; for any incomplete year period, the number of issued biosphere material compute units is pro-rated and unused biosphere material compute units expire at the end of the given incomplete year period.

CATIA - 3DEXPERIENCE Design/Engineering business category

Design Exploration

The following provisions supersede those of the corresponding section of the Offering Specific Terms for 3DEXPERIENCE R2022x Online Services and the additional terms #1:

For each Design Automation Engineer (6NB-AEN-OC), Concept Structure Engineer (6NB-CSE-OC, 6NB-CSE-OP) and Stiffened Structures Concept Design Engineer (6NB-SSCEN-OC) Online Service, Users (and Extended Enterprise Users, as applicable) are granted the right to automatically generate (in the background, in addition to the interactive session) a given number of iterations in context of design explorations. Each iteration corresponds to a given computation of a given design alternative. It namely applies when using « Design Improvement Study » in the application « Parametric Design Study ».

For each Design Automation Engineer (6NB-AEN-OC), Concept Structure Engineer (6NB-CSE-OC, 6NB-CSE-OP) and Stiffened Structures Concept Design Engineer (6NB-SSCEN-OC) Online Service, Users (and Extended Enterprise Users, as applicable) are granted the right to generate shapes with a cumulative number of features, as defined in the Documentation. A feature has to be understood as a sub-component of a shape.

The number of features is specified on a yearly basis. For terms of one (1) year or less, all features are issued at the beginning of the term and unused features expire at the end of the term. For terms longer than one (1) year, features are issued per year and unused features expire at the end of the given year period; for any incomplete year period, the number of issued features is pro-rated and unused features expire at the end of the given incomplete year period.

DELMIA - 3DEXPERIENCE Manufacturing/Production business category

The following provisions supplement those of the corresponding section of the Offering Specific Terms for 3DEXPERIENCE R2022x Online Services:

Multidiscipline Automated Drafting for Outfitting or Structure Fabrication

For each Outfitting Fabrication Engineer for Marine (6NB-POFEM-OC, 6NB-POFEM-OP) or Structure Fabrication Engineer for Marine (6NB-PSFEM-OC, 6NB-PSFEM-OP) Online Service, Users (and Extended Enterprise Users, as applicable) are granted the right to generate eight hundred (800) views, unless defined differently in the Documentation. A view has to be understood as a view that can be generated in a drawing sheet.

Moreover, to be able to generate more views, Customer must order the Multidiscipline Drafter Credit Pack (6TB-ACP-S-OC, 6TB-ACP-S-OP) Credit Based Online Service. For each Multidiscipline Drafter Credit Pack (6TB-ACP-S-OC, 6TB-ACP-S-OP) Credit Based Online Service, Users (and Extended Enterprise Users, as applicable) are granted the right to generate four thousand (4,000) views, unless defined differently in the Documentation.

The number of views is specified on a yearly basis. For terms of one (1) year or less, all views are issued at the beginning of the term and unused views expire at the end of the term. For terms longer than one (1) year, views are issued per year and unused views expire at the end of the given year period; for any incomplete year period, the number of issued views is pro-rated and unused views expire at the end of the given incomplete year period.

Online disk space

The following provisions supplement those of the corresponding section of the Offering Specific Terms for 3DEXPERIENCE R2022x Online Services and the additional terms #1:

- The DS Offerings below supplement the DS Offerings listed in Table 2:

DS Offering Name	Product Number	Online disk space [GB]
Training Experience Level 1	6NB-TEPL1-OC	One hundred and fifty (150)
Training Experience Level 2	6NB-TEPL2-OC	Four hundred and fifty (450)
Training Experience Level 3	6NB-TEPL3-OC	Two thousand and five hundred (2,500)
Training Experience Additional Learner	6NB-TEPAL-OC	Twenty five (25)

- The DS Offerings below supplement the DS Offerings listed in Table 4:

DS Offering Name	Product Number
Training Experience Level 1	6NB-TEPL1-OC
Training Experience Level 2	6NB-TEPL2-OC
Training Experience Level 3	6NB-TEPL3-OC
Training Experience Additional Learner	6NB-TEPAL-OC
