2.2 SPECIFIC PROVISIONS FOR CERTAIN DS OFFERINGS

ENOVIA - 3DEXPERIENCE Governance/Lifecycle business category

Business process service task

The following provisions supplement those of the corresponding section of the Offering Specific Terms for 3DEXPERIENCE R2023x Dedicated Cloud Online Services and the additional terms #1:

For each Business Process Player (6NP-BPO-DC) Online Service, Customer is delivered a given number of business process service tasks, as defined in the Documentation. Consumption rules of business process service tasks are specified in the Documentation.

For one (1) Platform, business process service tasks are shared among all the authorized Users (and/or Extended Enterprise Users, as applicable). Such tasks belonging to one (1) Platform cannot be transferred to another Platform.

The number of business process service tasks is specified on a yearly basis. For terms of one (1) year or less, all business process service tasks are issued at the beginning of the term and unused business process service tasks expire at the end of the term. For terms longer than one (1) year, business process service tasks are issued per year and unused business process service tasks expire at the end of the given year period; for any incomplete year period, the number of issued business process service tasks is pro-rated and unused business process service tasks expire at the end of the given incomplete year period.
