

DASSAULT SYSTEMES OFFERING SPECIFIC TERMS (OST) FOR NETVIBES Release NV1R2014 ONLINE SERVICES

This OST (Offering Specific Terms) and the terms incorporated herein by reference (including terms referenced on a website) are an integral part of the license and online services agreement between DS and Customer ("Agreement"), which refers to this OST. In the event of a discrepancy, inconsistency or contradiction between this OST and the other terms of the Agreement, the provisions of this OST shall prevail, but only with respect to the Online Services to which this OST applies. Customer acknowledges that it has full knowledge of all the terms of this OST and those incorporated herein by reference.

1. PRICING STRUCTURES

The use of Online Services to which this OST applies is granted according to the pricing structures mentioned in the related Transaction Document. Standard pricing structures are defined in the section "DEFINITIONS" of this OST. Other pricing structures may be made available on a case by case basis.

2. LICENSING SCHEMES AND GEOGRAPHIC SCOPE

2.1. GENERAL RULES

Online Services to which this OST applies may be granted according to one of the following licensing schemes (specifying the authorized use), as specified in the Product Portfolio if available, and as determined in the applicable Transaction Document:

- Named User Based either for Subscriber User, Analyst User or Publisher User
- System License

Online Services to which this OST applies are granted for use by the Users (and Extended Enterprise Users, as applicable) only in the country for which the Online Services are ordered. However, (i) Users, whose usual workplace is located in the same country as the country where such use of the Online Services has been authorized, may use the Online Services in any other country (subject inter alia to the export and re-export laws and regulations provisions of the Agreement) for purposes of a business trip of a maximum of thirty (30) consecutive days and (ii) DS may authorize, on a case-by-case basis, the use of certain Online Services by the Users (and Extended Enterprise Users, as applicable) on a Remote Access mode.

2.2. SPECIFIC PROVISIONS FOR CERTAIN DS OFFERINGS

The Named User Access to Online Services requires the System License to be ordered by the Customer.

Each Online Services Named-User or Extended Enterprise Named User must be assigned to a specific Named-User or Extended Enterprise Named User as applicable, for a minimum duration of one month (30 days), even if the user's access to the Online Service is removed during this period.

Online Services authorizes creation of dashboards which are administered by the Customer.

Online Services are provided for a maximum number of users of such dashboards, equal to the number of Named-Users and Extended Enterprise Named User, as applicable, for which the Customer has purchased rights to access such Online Services.

3. OTHER PERMITTED USES FOR DS OFFERINGS

USE FOR CERTAIN SERVICES. Except for Development Tool Kits, Customer is authorized to use the Online Services for added-value engineering or implementation services. Added-value engineering or implementation services are services to deliver to a third party end user any deliverable generated specifically for said third party end user from use by Customer of the Online Services. In any event, Customer may not (1) use the Online Services to develop software code for (i) general distribution by any means, and whether alone or bundled or delivered with any product, data, information, software, or other element, or (ii) any services that do not add value attributable to

the intervention of specific human skills, such as, without limitation, in a data services operation or as an application service provider, or (2) give any third party the access to the Online Services unless otherwise expressly authorized in the Agreement, or (3) represent or imply to any party that it is an authorized or certified provider of services for DS. Customer shall indemnify, defend and hold harmless DS against any claim, expense, judgment, damage or loss (including reasonable attorneys' fees) which arises out of or in any way relates to Customer's use of the Online Services with third party end users.

SPECIFIC PERMITTED USES

USE OF SEARCH ENGINE. The search engine component which is integrated in the DS Offering cannot be used separately from them, and can only be used to search for a limited number of Documents in third party and Customer contents. Such limited number shall not exceed at any given moment 10,000,000 (ten million) Documents.

4. SPECIFIC TERMS FOR THIRD PARTY SOFTWARE

The specific terms relating to the use of certain third party software components or products not developed by or for a DS Group Company and granted to Customer to be used in connection with or within a DS Offering are defined hereafter.

The following terms apply in addition to the Agreement:

Sencha Touch from Sencha

You are not authorized to use the component Sencha Touch component in any other application other than the DS offering with which it is distributed.

5. DEFINITIONS

The following definitions are added to the section "Definitions" of the Agreement.

Analyst User means a Named User, or an Extended Enterprise Named User as applicable, that uses these Online Services to view any dashboard, personalize it and create new analytics. He cannot create new dashboards.

Configuration or **Package** means a standard set of DS Offerings which are bundled together. The DS Offerings composing such Configuration or Package shall only be operated together.

Development Tool Kit means a DS Offering specifically designed for application or content development. A Development Tool Kit is either identified (i) with "CAA" or "ENOVIA Studio" in the DS Offering name, or (ii) in the Transaction Document and/or the Product Portfolio.

Document means an unstructured piece of data which is either, a news feed, a blog article, or a post on a social network, and is extracted from contents accessible through third party and Customer applications selected by Customer.

Extended Enterprise User means an employee of Customer's affiliate(s), supplier(s) and/or customer(s) authorized to use Customer's DS Offering for the sole and exclusive purpose of enabling the Extended Enterprise User(s) to conduct business with Customer. The use of the DS Offering by any such Extended Enterprise User(s) 1) shall be solely limited to use (a) as configured and deployed by Customer and (b) in connection with the Extended Enterprise User's performance of services for and on behalf of Customer, and 2) shall exclude any use by Extended Enterprise User (a) for its own account or a third party's account, or (b) for the purpose of modifying, otherwise using, maintaining or hosting the DS Offering. Extended Enterprise Users are authorized if so specified in the Product Portfolio.

Product Portfolio means a set of information related to the DS Offerings available at <http://www.3ds.com/terms/product-portfolio>.

Publisher User means a Named User, or an Extended Enterprise Named User as applicable, that uses these Online Services to create new dashboards (at least one Publisher DS Offering is required for each dashboard), manages User access permissions and publishes live updates to Users.

Remote Access means, if so specified in the Product Portfolio, that Users and/or Extended Enterprise Users may access and use the DS Offering remotely via the Internet from any country (subject inter alia to the export and re-export laws and regulations provisions of the Agreement).

User means any (a) Customer's employee, or (b) employee of Customer's consultant(s) or subcontractor(s) (i) who accesses a DS Offering, (ii) who works for the exclusive internal needs of Customer and (iii) whose usual workplace is located within Customer's premises. For Academic Use of DS Offering, **User** means (i) any individual who works for Customer and is dedicated either to education or research or (ii)

any individual regularly enrolled as a *bona fide* student in Customer's academic program.

PRICING STRUCTURES

YLC means the yearly charge for use of a DS Offering, subject to the conditions set forth in the Agreement. For Licensed Programs, YLC entitles Customer to i) a one (1) year license to use the Release of a Licensed Program and its subsequent Release(s), if any, as made available by DS during such year, in lieu of the license(s) on the previous Release(s) of such Licensed Program, and ii) Support Services for the Licensed Program for one (1) year. For Online Services, YLC entitles Customer to i) a one (1) year use of the Online Services and ii) Support Services for such Online Services for one (1) year. Customer is deemed to have accepted to renew any DS Offering for one (1) year and to pay YLC at the then applicable price, if Customer continues to use of such DS Offering(s) after the anniversary date of the DS Offering. The applicable price for the YLC for any given year is the price of the previous year plus the last percentage of increase applicable to the use of a DS Offering in a given country, as published at <http://www.3ds.com/terms/price> at least ninety (90) days before renewal date. However, such increase shall not exceed the increase which would have resulted from the revision of the price of the YLC according to the applicable price index since the date of the last price increase published by DS at <http://www.3ds.com/terms/price> for the related DS Offering.

QLC or QRC means the quarterly charge for use of a DS Offering, subject to the conditions set forth in the Agreement. For Licensed Programs, QLC or QRC entitles Customer to i) a three (3) months' license to use the Release of a Licensed Program and its subsequent Release(s), if any, as made available by DS during such quarter, in lieu of the license(s) on the previous Release(s) of such Licensed Program, and ii) Support Services for the Licensed Program for such three months period. For Online Services, QLC or QRC entitles Customer to i) a three (3) months' use of the Online Services and ii) Support Services for such Online Services for a three months period. QLC is not automatically renewable, unlike QRC. The applicable price for the QRC for any given quarter is the price of the previous quarter plus the last percentage of increase applicable to the use of a DS Offering in a given country, as published at <http://www.3ds.com/terms/price>, at least ninety (90) days before renewal date. However, such increase shall not exceed the increase which would have resulted from the revision of the price of the QRC according to the applicable price index since the date of the last price increase published by DS at <http://www.3ds.com/terms/price> for the related DS Offering.

LICENSING SCHEMES

Extended Enterprise Named User means an Extended Enterprise User identified with a unique username and password to use the DS Offering from a single machine at any given time.

Named User means a User identified with a unique username and password to use the DS Offering from a single machine at any given time.

Named User Based. Use of a DS Offering in Named User Based mode is authorized for the maximum number of Named Users and/or Extended Enterprise Named Users, as applicable, defined in related Transaction Document. If so specified in the Product Portfolio, certain DS Offerings used in Named User Based mode can be run on several machines at the same time, within the limit of the consumption capacity of the Token Based licenses. Customer shall not use any automated program or "user agent" program or utilities for multiple Users and/or Extended Enterprise Users, as applicable, and ensure that Named Users and Extended Enterprise Named Users do not share or use the same username and password. Customer may replace Named User(s) or Extended Enterprise Named User(s), as applicable, as necessary to reflect permanent personnel change(s), provided that the number of individuals authorized to use the DS Offering does not exceed the maximum number of rights granted to Customer for such DS Offering. Upon DS's request, Customer shall provide DS with a signed document listing (i) the number of Named Users and Extended Enterprise Named Users, as applicable, (ii) the type of use of the DS Offerings, and (iii) the locations and types of the systems on which DS Offerings operate or Customer has installed the DS Offering(s) as applicable. DS may provide Customer with one or more utilities, either included within the DS Offering(s) or separately, for the purpose of analyzing access right(s) and utilization, to establish usage by Customer. In such case, Customer shall provide, if applicable, the unedited and unmodified output file(s) and/or report(s) resulting from the operation(s) of such utility(ies), along with a signed declaration that the file(s) is(are) representative of actual DS Offering(s) usage. Customer is responsible for implementing all reasonable means to monitor its compliance with the terms of the Agreement.

Customer can order the DS Offerings for the following Named Users and/or Extended Enterprise Named User as applicable:

- Subscriber Named User;
- Analyst Named User;
- Publisher Named User.

System License means a right to use certain DS Offerings for a specific database instance or as may be otherwise indicated in the Product Portfolio. A minimum number of Named User's (or Extended Enterprise Named User's, as applicable) rights to use certain identified DS Offerings may be required in order to be granted a System License. If the name of the DS Offering includes a specific reference to "Departmental Site License", such DS Offering shall be used only within a particular department of Customer at a particular office, building or

physical location which shall be identified in the Transaction Document.
