THIRD PARTY TERMS (TPT) FOR

ByMe Release 4.0

ONLINE SERVICES

1. OPEN SOURCE COMPONENTS

The Online Services may include open source components. Whenever notices (such as acknowledgment, copies of licenses or attribution notice) are required by the original licensor, such notices are included in the Documentation of the Online Services.

Moreover, some open source components may not be distributed and licensed under the terms of the Agreement but under the terms of their original licenses as set forth in the Documentation of the Online Services themselves.

Source code for open source software components licensed under terms and conditions that mandate availability of such source code is available upon request. Except for components mentioned in the section EXCLUSIONS below, the warranty and indemnification provided by DS under the Agreement apply to all open source software components and shall be provided by DS and not by the original licensor, but only for the use of the Online Services that is in compliance with the terms of the Agreement, and in conjunction with the Online Services. The original licensors of said open source software components provide them on an “as is” basis and without any liability whatsoever to Customer.

2. ADDITIONAL THIRD PARTY TERMS

The following terms apply in addition to the Agreement:

This software contains Autodesk® FBX® code developed by Autodesk, Inc. Copyright 2019 Autodesk, Inc. All rights, reserved. Such code is provided “as is” and Autodesk, Inc. disclaims any and all warranties, whether express or implied, including without limitation the implied warranties of merchantability, fitness for a particular purpose or non-infringement of third party rights. In no event shall Autodesk, Inc. be liable for any direct, indirect, incidental, special, exemplary, or consequential damages (including, but not limited to, procurement of substitute goods or services; loss of use, data, or profits; or business interruption) however caused and on any theory of liability, whether in contract, strict liability, or tort (including negligence or otherwise) arising in any way out of such code.
