

Specific Terms for Third Party Software
For
DELMIA®
(Version 5 and Version 6)

Open Source Software. The Licensed Programs may include open source software components. Whenever notices (such as acknowledgment, copies of licenses or attribution notice) are required by the original licensor, such notices are included in the Documentation of the Licensed Programs.

The warranty and Support Services provided by Company under the License Agreement apply to all such open source software components and shall be provided by Company and not by the original licensor, but only for the use of the Licensed Programs that is in compliance with the terms of License Agreement, and in conjunction with the Licensed Programs. The original licensors of said open source software components provide them on an “as is” basis and without any liability whatsoever to Licensee.

Other Third Party Software Terms. None
