

## **THIRD PARTY SOFTWARE TERMS FOR DYMOLA**

### **OPEN SOURCE SOFTWARE**

The Licensed Programs may include open source software components. Whenever notices (such as acknowledgment, copies of licenses or attribution notice) are required by the original licensor, such notices are included in the Documentation of the Licensed Programs.

The following component is not distributed and licensed under the terms of the Agreement but under the terms of its original license set forth in the Documentation and/or notice files in the Licensed Programs themselves. Source code for this component is available upon request.

Under the Modelica License 2:  
Modelica Standard Library

Except for components mentioned in the "EXCLUSIONS" below, the warranty, indemnification and Support Services provided by Dassault Systèmes under the Agreement apply to all such open source software components and shall be provided by Dassault Systèmes and not by the original licensor, but only for the use of the Licensed Programs that is in compliance with the terms of the Agreement, and in conjunction with the Licensed Programs. The original licensors of said open source software components provide them on an "as is" basis and without any liability whatsoever to Customer.

### **ADDITIONAL THIRD PARTY TERMS SOFTWARE**
