

THIRD PARTY SOFTWARE TERMS FOR Q-Monitor for V5 Release 2.19

Open Source Software

The Licensed Programs may include open source software components. Whenever notices (such as acknowledgment, copies of licenses or attribution notice) are required by the original licensor, such notices are included in the Documentation of the Licensed Programs.

Except for packages mentioned in "Exclusions" below, the warranty and Support Services provided by Dassault Systèmes under the Agreement apply to all such open source software components and shall be provided by Dassault Systèmes and not by the original licensor, but only for the use of the Licensed Programs that is in compliance with the terms of the Agreement, and in conjunction with the Licensed Programs. The original licensors of said open source software components provide them on an "as is" basis and without any liability whatsoever to Customer.

Additional Third Party Software terms

None.

Exclusions

None.
