

DASSAULT SYSTEMES THIRD PARTY TERMS (TPT) FOR Quintiq Release 6.0 LICENSED PROGRAMS

1. OPEN SOURCE COMPONENTS

The Licensed Programs may include open source components. Whenever notices (such as acknowledgment, copies of licenses or attribution notice) are required by the original licensor, such notices are included in the About Box of the Licensed Programs.

Moreover, some open source components may not be distributed and licensed under the terms of the Agreement but under the terms of their original licenses as set forth in the About Box of the Licensed Programs themselves.

Source code for open source software components is available upon request. Except for components mentioned in the section "EXCLUSIONS" below, the warranty and indemnification provided by DS under the Agreement apply to all open source software components and shall be provided by DS and not by the original licensor, but only for the use of the Licensed Programs that is in compliance with the terms of the Agreement, and in conjunction with the Licensed Programs. The original licensors of said open source software components provide them on an "as is" basis and without any liability whatsoever to Customer (or Licensee).

2. ADDITIONAL THIRD PARTY TERMS

The following terms apply in addition to the Agreement:

NONE

3. EXCLUSIONS

The warranty and indemnification provided by DS under the Agreement are not applicable to open source software components listed hereunder:

NONE

The Support Services provided by DS under the Agreement are not applicable to the Licensed Programs which contain the word "Maps" in their name. However, periodic updates of such Licensed Programs may be provided by DS if available.
