DASSAULT SYSTEMES
THIRD-PARTY TERMS (TPT) FOR
GEOVIA Whittle Release 2027
LICENSED PROGRAMS

1. OPEN-SOURCE COMPONENTS

The Licensed Programs may include open-source components. Whenever notices (such as acknowledgment, copies of licenses or attribution notice) are required by the original licensor, such notices are included in the Documentation of the Licensed Programs.

Moreover, some open-source components may not be distributed and licensed under the terms of the Agreement but under the terms of their original licenses as set forth in the Documentation of the Licensed Programs themselves.

Source code for open-source software components licensed under terms and conditions that mandate availability of such source code is available upon request. Except for components mentioned in the section EXCLUSIONS below, the warranty and indemnification provided by 3DS under the Agreement apply to all open-source software components and shall be provided by 3DS and not by the original licensor, but only for the use of the Licensed Programs that is in compliance with the terms of the Agreement, and in conjunction with the Licensed Programs. The original licensors of said open-source software components provide them on an “as is” basis and without any liability whatsoever to Customer.
