

## MEDIDATA PURCHASE ORDER TERMS AND CONDITIONS

1. **Definitions.** The term “MEDIDATA” shall refer to Medidata Solutions, Inc., a Delaware corporation, having its principal place of business at 350 Hudson Street, 9th Floor, New York NY 10014. The term “Supplier” shall refer to the vendor designated on the Purchase Order (“PO”) issued by Medidata and shall also include its employees, subcontractors, independent contractors and all other persons performing any type of work under this PO, including these Terms and Conditions. The term “good(s)” shall refer to the materials, supplies, items and equipment covered by this PO and any pre-existing master agreement between MEDIDATA and the Supplier. The term “services” shall refer to the work and/or services covered by this PO and any pre-existing master agreement between MEDIDATA and the Supplier.
2. **Acceptance.** This PO must be accepted in writing by Supplier. If Supplier fails to accept in writing, any conduct by Supplier which recognizes the existence of a contract pertaining to the subject matter hereof shall constitute an acceptance by Supplier of this PO. Any terms proposed in Supplier’s acceptance of MEDIDATA’s offer that add to, vary from, or conflict with these Terms and Conditions are hereby objected to and shall not apply. If this PO has been issued by MEDIDATA in response to an offer, and if any of these Terms and Conditions are additional to or different from any terms of such offer, then the issuance of this PO by MEDIDATA shall constitute an acceptance of such offer subject to the express condition that Supplier assent to these additional and different Terms and Conditions, and Supplier shall be deemed to have so assented unless Supplier notifies MEDIDATA to the contrary in writing within ten (10) days of receipt of this PO. Any “click-wrap”, “shrink-wrap” or other preprinted terms and conditions provided by Supplier shall be void and of no effect.
3. **Entire Agreement.** This PO, together with the terms contained herein and on the face as well as any specifications, exhibits or amendments that may be referred to or attached hereto, sets forth the complete and final agreement between the parties with respect to the subject matter hereof, and supersedes any and all prior or contemporaneous oral or written communications relating thereto. If this PO is used as a release for goods or services under a pre-existing master agreement, then the Terms and Conditions of this PO shall supplement the provisions of such master agreement to the extent they are not inconsistent. In the event of any inconsistency between the terms of any pre-existing master agreement, the terms on the face of this PO or these pre-printed Terms and Conditions, the following shall be the order of precedence: (i) the terms of the master agreement, (ii) the terms on the face of the PO, and (iii) these pre-printed Terms and Conditions. Any reference to a proposal, quotation or other communication by Supplier shall, unless indicated to the contrary, be limited to the description of the goods or services and by the terms set forth or incorporated by reference herein. The failure of MEDIDATA to insist on performance of any provision hereof shall not be construed to be a waiver of such provision or any part thereof.
4. **Prices.** The price(s) set forth on the face of this PO are firm, and are not subject to increase.
5. **Taxes.** The prices for the goods or services provided hereunder include all Federal, state and local taxes imposed upon or on account of such sale, unless otherwise indicated on the face of this PO.
6. **Invoices.** All invoices shall be submitted to Medidata electronically through Ariba. In addition to any other information specified elsewhere herein, invoices and packing slips shall contain the following information: PO number, item number, description of goods and services, sizes, quantities, weight, unit prices, extended totals, and banking instructions (for ACH and or Wire Transfer). Furthermore, Suppliers shall not issue more than one invoice per month, and shall consolidate billing if Supplier has multiple office locations. Suppliers are also expected to use XML or EDI billing whenever possible.
7. **Payment.** MEDIDATA shall make payment for goods and services within sixty (60) days after receipt of invoice and delivery and acceptance of the goods or complete performance of the services, unless different terms have been stated on the face of this PO. Payment of an invoice shall not constitute acceptance of goods or services and shall be subject to adjustment for errors, shortages, defects in the goods or services, damage to MEDIDATA for which Supplier is partially or wholly responsible, or other failure of Supplier to meet the requirements of the PO.
8. **Delivery.** Time is of the essence and the goods must be received or services performed on the dates and at the destination(s) set forth on the face hereof. If Supplier fails to meet any such delivery date, MEDIDATA may, without limiting its other rights and remedies, direct expedited routing, charge excess costs incurred thereby to Supplier, or cancel all or part of this PO. All rejected or over-run goods and material with MEDIDATA’s printing or identification must be destroyed by Supplier at Supplier’s expense and not sold as surplus.
9. **Freight; Title and Risk of Loss.** Unless otherwise specifically provided for herein, Supplier shall be responsible for freight and delivery to the destination specified on the face of this PO. All freight and delivery charges will be paid by Supplier. Notwithstanding anything else herein, Supplier shall bear all risks of loss and damage to the goods until final acceptance by MEDIDATA at MEDIDATA’s “ship to” destination specified on the face of this PO. Further, Supplier shall bear the same risks with respect to any goods rejected by MEDIDATA or as to which MEDIDATA has revoked its acceptance, from the time of such rejection or revocation.
10. **Inspection.**
  - (a) Notwithstanding any prior inspections or payments hereunder, all goods and services shall be subject to final inspection, which may include measurement, testing or examination, and acceptance at MEDIDATA’s facility within

a reasonable time (but not less than 90 days) after receipt at destination. Any inspection by MEDIDATA does not relieve Supplier of any obligations or liabilities under this PO.

(b) If any goods or services delivered do not meet all of the requirements of this PO, MEDIDATA shall have the right to reject such goods or services and return such goods at Supplier's expense. MEDIDATA may elect to reject the entire goods or services tendered even if only a portion thereof is nonconforming. If MEDIDATA elects to accept nonconforming goods or services, MEDIDATA, in addition to its other remedies, shall be entitled to an appropriate reduction in price. Payment for any goods or services shall not be deemed an acceptance thereof.

**11. Warranty.**

(a) Supplier warrants that all goods and services furnished hereunder shall: (i) be free from latent and patent defects in workmanship, material, manufacture, and design (where design is Supplier's responsibility); (ii) comply with the requirements of this PO, including all drawings and specifications incorporated herein and samples and warranties furnished by Supplier; (iii) be merchantable and safe for consumer use, and fit and sufficient for the use intended by MEDIDATA; (iv) be free and clear of any lien, security interest or other adverse claim against title; (v) comply with the laws of the states and of the United States governing weights, measures and sizes; (vi) not be adulterated or misbranded within the meaning of any State food and drug laws or the Federal Food, Drug and Cosmetic Act, or not be an article which may not under the provisions of section 404 or 505 of the Federal Act or any other applicable Federal, State or local laws, be sold, legally transported or introduced into interstate commerce; and (vii) not infringe, including without limitation their sale or use alone or in combination, any United States or foreign patents, trademarks, trade secrets, copyrights or proprietary rights of any third party.

(b) The foregoing warranties are in addition to all other warranties, expressed or implied, and shall survive any delivery, inspection, acceptance, and payment by MEDIDATA.

(c) Supplier's warranties shall be effective for the period of time either (i) set forth on the face of this PO, or (ii) one (1) year from the date of MEDIDATA's final acceptance, whichever is greater.

(d) These warranties shall be extended to MEDIDATA's customers and users of its products.

(e) If any goods or services furnished hereunder do not meet the warranties specified in this PO, MEDIDATA may, at its option: (i) require Supplier to correct, at no cost to MEDIDATA, any defective or nonconforming goods or services by repair or replacement within seven (7) days of notice to Supplier; or (ii) return such defective or nonconforming goods at Supplier's expense to Supplier and recover from Supplier the price thereof; (iii) correct the defective or nonconforming goods or services itself and charge Supplier with the cost of such correction; or (iv) accept the defective or nonconforming goods or services at a reduced price.

**12. Social Responsibilities.** Supplier hereby represents and warrants that it has been informed of MEDIDATA's Sustainable Charter with Suppliers (the "Charter"), available at <https://www.3ds.com/suppliers/supplier-resources>, and has agreed to be bound by the Charter. Without limiting the generality of the foregoing, Supplier acknowledges and agrees that MEDIDATA will not tolerate bribery in any form in connection with the conduct of its business. In particular, Supplier shall (i) comply with all applicable laws, statutes, regulations, codes and guidance relating to anti-bribery and anti-corruption, (ii) comply with all applicable laws, statutes, regulations, codes and guidance relating to anti-bribery and anti-corruption ("Anti-Bribery Laws"), including the anti-bribery legislation of the governing law of these Terms and Conditions and similar applicable legislation in France, UK (Bribery Act 2010), and U.S. (FCPA), (iii) not engage in any activity, practice or conduct which would constitute an offence under the Anti-Bribery Laws, (iv) not do, or omit to do, any act that will cause MEDIDATA to be in breach of the Anti-Bribery Laws; and promptly report to MEDIDATA any request or demand for any undue financial or other advantage of any kind received by Supplier in connection with the performance of this Terms and Conditions. Supplier shall promptly notify MEDIDATA during the validity of any open PO of any facts or circumstances that would invalidate any of the warranties or assurances given in this section. Supplier agrees to encourage its own vendors and subcontractors (within the limits authorized by these Terms and Conditions) to adhere to these commitments. In the event of non-compliance by Supplier with any of those commitments, such non-compliance shall constitute a material breach and MEDIDATA reserves the right to immediately terminate an applicable PO and Supplier shall indemnify MEDIDATA against any losses (including any consequential loss or damage), liabilities, fees, damages, costs and expenses incurred by MEDIDATA as a result of such breach. Supplier shall immediately inform MEDIDATA of any risk of a conflict of interest prior to the performance of the services and, during the performance of the services, as soon as it has knowledge thereof, at the following address: 3ds.Suppliers-Mediator@3ds.com.

**13. Changes.** MEDIDATA reserves the right at any time to change this PO in writing, and if such change causes an increase or decrease in price or delivery of goods or services, an equitable written adjustment shall be made.

**14. Confidentiality.** In its performance of this PO, MEDIDATA may disclose to Supplier or Supplier may have access to certain Proprietary Information of MEDIDATA. "Proprietary Information" means trade secrets (as defined by applicable laws), any data, reports, computer programs or models and related documentation, business or research plans, specifications, drawings, designs or information transmitted by MEDIDATA to, or otherwise accessible to or viewable by, Supplier in connection with this PO, and any other information that is of value to its owner and is treated as confidential, including without limitation, the fact that Supplier has furnished or contracted to furnish to MEDIDATA the goods or services covered by this PO. All Proprietary Information of MEDIDATA shall remain the property of MEDIDATA. Supplier shall keep all Proprietary Information of MEDIDATA confidential and use such information only as necessary to fulfill Supplier's obligations pursuant to this PO. All originals, copies, summaries and derivations of Proprietary Information in whatever form shall be returned to MEDIDATA upon the earlier of the completion of Supplier's work under this PO or MEDIDATA's request.

**15. Intellectual Property.**

(a) **Ownership.** Supplier agrees that all writings, drawings, designs, copyrightable material, inventions (whether or not patentable), improvements, discoveries, developments, and all works of authorship created by Supplier in performance of services hereunder, including all worldwide rights therein under patent, copyright, trade secret, confidential information, or other intellectual property right (collectively "Work Product"), are the sole property of MEDIDATA. Supplier assigns to MEDIDATA all right, title and interest in and to all such Work Product, and shall perform such further acts needed to transfer, perfect, and defend MEDIDATA's ownership of the Work Product.

Supplier shall require its subcontractors to execute written assignments of Work Product to effect such assignment.

(b) **License.** To the extent that Supplier or third parties retain ownership rights in materials delivered with the goods, or upon which the Work Product is based, Supplier hereby grants to MEDIDATA an irrevocable, worldwide, non-exclusive, royalty-free right and license to make, have made, modify, use, distribute, publicly perform or display, sell, offer to sell, and import such materials. Supplier hereby warrants that it owns or has acquired rights in all such intellectual property necessary to grant the licenses and intellectual property rights set forth in this Intellectual Property section.

17. **Work on MEDIDATA's Premises; Occupational Health Services.** If the services are to be performed on MEDIDATA's premises, Supplier shall comply with all applicable safety laws and MEDIDATA's then current safety and other applicable regulations. Supplier shall provide MEDIDATA with a complete list of all chemicals, hazardous materials, and ingredients in the composition of goods or used in the performance of the services hereunder and a copy of the Material Safety Data Sheet for such chemicals and hazardous materials. The submission of such list by Supplier shall not relieve Supplier of exclusive responsibility for the safe transportation, use, storage, and disposal of such materials prior to acceptance by MEDIDATA. All chemicals and hazardous materials brought by Supplier to MEDIDATA's premises shall bear a label stating the identity of the chemical or material and the hazards associated therewith.

18. **Indemnity; Insurance.**

(a) Supplier shall defend, indemnify and hold MEDIDATA, its affiliated companies, and their respective shareholders, officers, directors, employees, agents, successors, and assigns harmless from and against any and all claims, suits, actions, liabilities, losses, costs, reasonable attorneys' fees, expenses, judgments or damages, whether ordinary, special or consequential arising directly or indirectly from or in connection with (i) the acts, negligence, omissions or willful misconduct of Supplier; (ii) goods or services supplied hereunder; (iii) a breach of any of Supplier's warranties or any other term and condition of this PO; (iv) Supplier's negligent, unauthorized or wrongful acts or omissions with regard to the transportation, use, handling, disposal, processing or installation of hazardous materials; (v) a claim that any goods or services furnished hereunder infringe upon or misappropriate any patent, copyright, trademark, trade secret or other intellectual property interest of another; or (vi) a claim of any lien, security interest or other encumbrance made by a third party; (vii) a violation of federal or state law, regulation, statute or ordinance; (viii) failure to comply with the Confidentiality obligations set forth herein; or (ix) any such claim, damage, loss or expense attributable to bodily injury, sickness, disease, or death that results from Supplier's performance of the work.

(b) Without limiting MEDIDATA's rights and remedies hereunder, if MEDIDATA believes that the goods or services supplied hereunder are likely to be determined to be an infringement or misappropriation of a patent, copyright, trademark, trade secret, or other proprietary right, MEDIDATA may require Supplier to (i) replace such goods or services with equivalent functionality or (ii) modify such goods or services with equivalent functionality to make them non-infringing.

(c) Supplier shall carry and maintain insurance coverage satisfactory to MEDIDATA to cover its obligations in this PO, including without limitation, the following insurance with the respective minimum limits: (a) Commercial General Liability insurance including endorsements for personal injury and products and completed operations coverage with limits of not less than \$5,000,000 per occurrence and \$10,000,000 general aggregate; (b) Workers' Compensation insurance in amounts required by law and employer's liability insurance in an amount not less than \$1,000,000/\$1,000,000/\$1,000,000 (unless exempt by law); (c) Commercial Automobile Liability insurance covering Supplier's owned, non-owned, and hired automobiles with a combined limit of not less than \$1,000,000 per occurrence for bodily injury and property damage; (d) a policy of Professional Liability (Errors and Omissions) insurance with a limit not less than \$5,000,000 per incident; and (e) in the event this PO contemplates Supplier having access to Medidata's information technology systems or employee or customer non-public personal information, Fidelity Bond and Cyber insurance, each with limits not less than \$5,000,000. In no event shall such reimbursement include anticipated profits or revenue or other economic loss for undelivered goods or unperformed services.

(b) MEDIDATA may terminate this PO, in whole or in part, if Supplier: (i) fails to make delivery of the goods or perform the services within the time specified herein; or (ii) fails to replace or correct defective goods or services in accordance with the provisions of this PO; or (iii) fails to perform any other provision of this PO or so fails to make progress as to endanger performance in accordance with its terms; or (iv) becomes insolvent, files or has filed against it a petition in bankruptcy, or makes an assignment for the benefit of creditors.

(c) Any such termination shall not relieve Supplier from any liability hereunder.

22. **Assignability and Subcontracting.** This PO shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Notwithstanding the foregoing, neither this PO nor any interest therein shall be assigned, delegated or otherwise transferred by the Supplier except upon the prior written consent of MEDIDATA, and any assignment or transfer without such consent shall be void and of no effect. Supplier shall not appoint any subcontractor or non-employee to carry out its obligations under this PO without the prior written consent of MEDIDATA. In any event, even with MEDIDATA consent, Supplier shall remain liable for the performance of all such obligations and shall ensure that any permitted subcontractor or non-employee reads and understands the terms of this PO. MEDIDATA may assign its rights or obligations under this PO to any MEDIDATA affiliate or successor without Supplier's consent.
23. **Survivorship.** All provisions, representations and warranties contained herein which by their nature are required or intended to be observed or performed after termination of this PO will survive its termination.
