

MyBenefits

SOUTH KOREA

At Dassault Systèmes, we are driven by our purpose and we value our people in our mission to provide sustainable innovations capable of harmonizing product, nature, and life. With 25,000 talented individuals from different countries and cultures around the world, we embrace our values every day through an impressive diversity of perspectives and experiences.

To unleash the full potential of each individual, we offer optimal conditions and opportunities for personal development throughout our employees' journey.

EXPERIENCE A GREAT PLACE TO WORK!

Our people are at the heart of Dassault Systèmes. That is why "WE" - as a symbol of bringing our community "Together" - is so deeply embedded in our values and purpose.

Being a great place to work is what drives us to create a unique environment where our employees can thrive and feel empowered to be their unique selves.
