General Information

What happened to the training content on the MyIQMS.com Training Tab?

We have retired the Training tab on MyIQMS.com, and our team has created an Awareness & Update Library as a cost free resource to all DELMIAWorks users, hosted by 3DExperience Edu Space.

Will my MyIQMS.com credentials work?

No, you will need to create a new 3DExperience ID/Profile to access the 3DExperience Edu Space platform. User Registration actions cannot be performed with Firefox internet browsers, Google Chrome must be used.

What content is available in the Awareness & Update Library?

All Update (What's New) content and an additional 25 modules regarding basic DELMIAWorks functionality. This manual outlines all required steps for all users and can be shared as a resource for user registration, log in and content access.

Can I track user progress, quiz scores or assign training to users?

No, admin functionality is not available for the Awareness & Update Content Library, please contact our team for more information at delmiaworks.elearning@3ds.com.

Is there a resource I can provide to my users that contains this information?

YES. This document outlines all information required to access the DELMIAWorks Awareness & Update Library. Please share with users to assist.

Who do I contact for GENERAL MyIQMS.com inquires for all other tabs and log in issues?

Please continue to contact our Support Team at 1-866-367-3772 or via the Support Chat option available on the Support Tab of the MyIQMS.com platform.

Who do I contact for DELMIAWorks Awareness & Update Library support?

Contact delmiaworks.elearning@3ds.com.

Platform and User Experience Notes

- The 3DEXperience Edu Space platform provides training & general product content for customers, partners and internal users. All users are required to create a 3DEXperience Profile to access this platform.
- Content access is granted via registration links that contain a voucher id number (linked to a specific domain) and can be assigned by an administrator after registration. The Library Catalog dashboard contains all available content the user profile has been granted access to and can be viewed by Library or all Learning.
- 3DEXperience profiles can be granted access to various domains and each contain a specific group of content. Users may see different content in the Library Catalog based on the domains linked to their profile which is normal.
- All users receive a Guest View with content from Dassault Systemes after their profile has been created.
- Users can confirm the domains they are registered for by accessing My Settings and viewing the Roles & Privileges section.

User Registration & Log In

NOTE: Please clear all browser history and/or use an incognito window via Chrome to complete user registration steps.

How do I register and log in to access content?

1. Click the following link: <https://eduspace.3ds.com/CompanionManager/login/#/?vuid=70029170>
2. This will direct users to the **3DExperience Edu Space** home page (**right**) and will auto populate the Registration Voucher for users.
3. Click **“Proceed to Registration”** and fill out the 3DExperience ID form to create a 3DExperience ID.
4. Additional details are provided on the Log In/Registration Page as well.

The screenshot shows a 'Log In' window with a close button (X) in the top right. Below the title, there is a link 'I have a registration voucher' with an information icon. A text input field contains the number '32483841'. Below this, there is a checkbox labeled 'I am an existing user' which is currently unchecked. A vertical dotted line separates the registration voucher section from the existing user section. Below the line, there are instructions: 'Enter your registration voucher in above field', 'Click on 'Proceed to Registration' button below to create your 3DEXPERIENCE ID', and 'Once your 3DEXPERIENCE ID is created, your learning journey will start'. At the bottom, there is a large blue button labeled 'Proceed to Registration' and a smaller 'Go back' link below it.

What if I have an EXISTING 3DExperience ID?

1. After clicking the link above, select the option **“I am an existing user,”**
2. **Enter** your 3DExperience ID and password
3. Click **Log In**.

The screenshot shows the same 'Log In' window. The 'I have a registration voucher' link is still present. The text input field now contains '32483841'. The checkbox 'I am an existing user' is now checked. Below this, there are two more input fields: one for the username 'ath3' and one for the password, which is masked with dots. Below the password field, there are links for 'Forgot Password/Username' and 'Need help?'. At the bottom, there is a large blue button labeled 'Log In' and a smaller 'Go back' link below it.

Content Overview & Libraries

Take the following steps to access the Awareness & Update Library.

1. After logging in, select Learning Catalog.
2. Select the Library Based filter.
3. Click the **DELMIAWorks Awareness & Update Library** tile.
