

DATA SHEET

Learning Experience for DELMIAWorks

Learning Experience for DELMIAWorks, hosted by 3DEXPERIENCE EDU SPACE, is a valuable eLearning tool that provides modular certification training for DELMIAWorks ERP/MES software.

- ✓ Subscription access to all content for the year
- ✓ Video demonstrations for each topic
- ✓ 4 Foundation User Certifications – Implementation, Manufacturing, System Admin, Quality 1
- ✓ 4 Advanced User Certifications – System Admin, Manufacturing I, Supply Chain I, Maintenance
- ✓ Develop role-based learning schedules, track completions, track assessment scores, and manage team training
- ✓ Ability to add custom content, such as unique customer work instructions – accessible in DELMIAWorks eLearning

Content Overview

FOUNDATION TRAINING CERTIFICATIONS

Take a training class led by a training specialist, virtually! 4 Certifications are currently available (Manufacturing, Implementation, Quality & System Administration) each containing 70+ hours of content provided to in-person class attendees. Users receive an email signature badge and certificate of completion for their records after completion of each track.

ADVANCED CERTIFICATIONS

These advanced certification tracks cover advanced DELMIWorks topics & roles with 4 Tracks currently available (System Admin, Manufacturing I, Supply Chain I, Maintenance). Users receive an email signature badge and certificate of completion for their records after completion of each track.

DELMIAWORKS SOFTWARE UPDATES

Provides "What's New" information regarding new DELMIWorks software functionality for each new release.
