

Learning Experience for DELMIAWorks Newsletter – Q3 2022

Hello DELMIAWorks eLearning Users –

If you have not already noticed, Q2 brought several updates to our content and library formats. All courses contain new, trainer led content in 30 min modules and include demonstrations of DELMIAWorks functionality in a dynamic environment.

Training Paths are now available for 4 Foundation & Advanced Certification topics (8 total/approx. 170 hours total). Get your users certified on DELMIAWorks software topics and exams, with certificates of completion and email signature badges for each. Get new users up to speed on basic functionality, advance skill sets by providing continuous education offerings and assign specific training items to users based on training needs! Keep reading to learn more about this new content and as always, please reach out with any questions or for assistance.

Sincerely,

Allison Tish – DELMIAWorks
Learning Experience Manager

NEW Content Highlights

DELMIAWorks Foundation Certifications

2 48 0

FOUNDATION TRAINING CERTIFICATIONS

Take a training class led by a training specialist, virtually! 4 Certifications are currently available (Manufacturing, Implementation, Quality & System Administration) each containing 70+ hours of content provided to in-person class attendees.
