OTHER SOFTWARE

The following is required by Minex 6.5, and is automatically installed when you install Minex:

- a Java™ 7-compatible JVM
- MS Access Database Engine 2010 32-bit

Note: You cannot have Microsoft 32-bit and 64-bit drivers on the same computer. If you are installing MS Office 2013 or 2016 64-bit, it is recommended that you remove Minex, and then reinstall it after you have installed MS Office 2013 or 2016.
