

3DCONNEXION

3DCONNEXION

“It’s like holding the model in your hand”

- **Products: 3D mice**

- SpacePilot Pro™ Pro, SpaceMouse Pro™, SpaceNavigator™ and SpaceNavigator for Notebooks™
- Offering users a more intuitive and natural way to interact with computer-generated 3D content

- **Benefits**

- **Increased Productivity:** Average gains of 21% from simultaneously navigating, creating and editing your model
- **Enhanced Comfort:** Reduce mouse movement and clicks by up to 50%
- **Design Performance:** Unlock powerful extras that are not available to mouse-only users
