

“For a creative world”

• Products: Pen Displays, Tablets

- **Cintiq:** Enjoy the immersive experience of creating directly on a high-definition display with Wacom's finest pressure-sensitive pen combined with intuitive, multi-touch capabilities.
- **Intuos Pro:** Experience a professional level of precision and control as well as innovative, time-saving features to speed your creative workflow with this professional pen tablet.

• Benefits

- **Natural feel:** Create with the accuracy and precision of traditional brushes and pens using 2048 levels of pen pressure on all Cintiqs and Intuos Pro pen tablets.
- **Efficiency at your fingertips:** Work easier and faster with customizable ExpressKeys, Touch Rings, and multi-touch gestures that put your favorite shortcuts at your fingertips.
- **Hands on creative experience:** Appreciate the precise, intuitive control of creating on-screen with Wacom's pressure-sensitive pen while using multi-touch gestures.
- **Creative freedom:** Work from anywhere using your favorite software with Cintiq Companion.
- **Designed for creativity:** Create naturally using the Intuos Pro pen tablet. Design, sketch, paint, and retouch with ease when connected to a Mac or PC.
