Licensed Program Specifications (LPS)

SIMULIA® Isight 5.6 and SIMULIA Execution Engine 5.6

Terms that are initially capitalized are defined in the Glossary - Release 1, available at www.3ds.com/terms/glossary.

A list of SIMULIA Isight 5.6 and Simulia Execution Engine 5.6 Licensed Programs is available in the Product Portfolio on Dassault Systemes website: www.3ds.com/terms/product-portfolio.

Hardware and Software Requirements

Hardware and software information for SIMULIA Isight and SIMULIA Execution Engine 5.6 Licensed Programs is available on the following website:

http://www.simulia.com/support/sup_systems_info.html

Licensed Programs Materials Availability

- Restricted materials - No. These Licensed Programs are available without source Licensed Programs materials. They are available in object code only.

Supplemental Terms

Type/Duration of Program Services( also referred to as “Support Services”)
You will find all necessary information including processes, on Dassault Systemes website:

http://www.3ds.com/terms/support-policies

**The License Management Model**

The following license types are available for the Licensed Programs purpose of this LPS:

- **Concurrent Based** (floating)
- **System License**

SIMULIA Isight and SIMULIA Execution Engine (SEE) require installation of the SIMULIA Isight/SEE license manager even if you already have an existing SIMULIA Abaqus license server. Licensing is enforced through FLEXnet.

**Separately Licensed Code**

Refer to the Warranty section of this document for information on separately licensed code.

**Designated Machine Identification**

No.

**Test Period**

No.

**Use-Based Charges/Usage Restrictions**

Charges for those Licensed Programs are based on the number of Users logged on at any time. The total number of Users logged on may not exceed the number for which you have been authorized. If the total number exceeds your authorization, you must notify Dassault Systemes and obtain additional authorizations.
**Softcopy Publications**

The Licensed Programs may include licensed publications in displayable or source form. Except as provided in this section, the terms and conditions of the Agreement apply to these publications and to any copies that are made from them.

The licensed publications may be used in displayable or source form on all machines designated for such Licensed Programs. The licensed publications may also be copied and used on other machines in support of authorized use of such Licensed Programs.

To support authorized use of the Licensed Programs, printed copies of the displayable or source material may be made if the copyright notice and any other legend of ownership is reproduced on each copy or partial copy.

---

**Warranty**

The Licensed Programs are warranted as specified in the Agreement.

Licensed Programs Specifications may be updated from time to time and such updates may constitute a change in specifications.

Following the discontinuance of Support Services related to the Licensed Programs, such Licensed Programs will be provided "AS IS" as specified in the Agreement.

**Separately Licensed Code**

The SIMULIA Isight 5.6 Licensed Program contains the following components:

- GWT Beans Binding
- Java UUID Generator (JUG)
- ModalFrameUtil
- RSyntaxTextArea

that are separately licensed code, and licensed under the terms of the GNU Lesser General Public License available at: [http://www.gnu.org/licenses/lgpl.html](http://www.gnu.org/licenses/lgpl.html)
